

JCB 417HT 417

£42,500.00 plus VAT

A very low hours example. direct from the local authority and maintained to manufactures standards.

Long reach waste arms with quick hitch bucket attachment.

We have had our local JCB main dealer give it a full check over and they performed a full diagnostic check , with no issues to report.

Good tyres , good glass.

A very well specified machine with such low hours is sure to be a good addition to the fleet for
